If you need to drop a class, you must fill out a drop form in advance. Good Luck Caitlin McBride!

Caitlin is a Level 9 Competitive Gymnast here at the gym. She has been with MCGA since she was 6 years old. Caitlin is heading off to Seattle Pacific University to study Physical Therapy. She graduated from Tri-Cities Prep and her outstanding grades have won her an academic

scholarship. She plans to walk on the gymnastics team where she hopes to qualify for two events this year. "I'm going to miss being in the gym all the time and all of the people here. It's such a positive environment with so much opportunity. I love it. I just can't give up gymnastics yet. That is why I'm continuing in college!"

Bye guys! I'll miss you! Caitlin will be greatly missed by her coaches and teammates. She is a good role and we are so proud of her. Her parents are Julie and Don McBride of Richland.
